

OVO strengthens entrepreneurship in Africa

Local entrepreneurship is a driver for greater opportunity. Entrepreneurs for Entrepreneurs - OVO for short - strengthens sustainable entrepreneurship in Africa.

And seeks Belgian entrepreneurs, companies and investors who support these projects with expertise and resources. As a member of OVO, you embrace the goals of our organization and directly support our efforts to promote sustainable economic growth in Africa.

Support our operations through a membership:

→ Member: € 500/year - excl. VAT

- Visibility package: name inclusion on our website and annual report
- Access to an active network of committed and like-minded entrepreneurs, organizations and NGOs
- Reduced rate for events and communication

→ Core member: € 7500/year - excl. VAT

- Same benefits as membership +
- Visibility package: logo listing on our website, annual report and communication on our annual conference
- 'Partner in the spotlight' post on social media
- Reduced rate for training program Talent4Growth (€900 discount per employee)
- Steering of OVO's policy (representation at our General Assembly)
- Opportunity to participate as a coach guiding an African startup
- Possibility to organize a presentation in your company about this commitment
